A separate permit is required for each type of permit requested. Permit fees are based on the Rancho Adobe Fire Protection District Fee Schedule. Fees and minimum deposits are calculated on each permit form. The total fee or deposit due shall be paid at the time of the submittal. No plan review or site inspections will be started without full payment of fees or deposits. Additional fees may be billed if the actual time exceeds the minimum amount of the deposited amount. Additional Building Permits may be required for this project by the City of Cotati. The applicant is responsible for contacting the City of Cotati Building Department to determine if any additional permits or approval is required.

Applicant Declaration

I certify that I have read this application and all the above information is correct. I agree that I am solely responsible for complying with and that I will comply with all Fire District Ordinances, City Ordinances and requirements and State laws relating to Building and Fire Codes.

I (we) agree to defend, indemnify and hold the Rancho Adobe Fire Protection District and its officers, employees and agents, harmless against all claims, actions and liabilities of any kind which may arise or occur in consequence of any acts or omissions of said District and its officers, employees or agents, in granting this permit, whether or not such acts or omissions are intentional or negligent or whether they are active or passive, and to pay all cost and expenses, including, but not limited to, attorney's fees incurred by said District in connection with such claims and actions.

All work performed under this permit must conform to the plans and specifications as well as the application filed by the owner or his authorized agent with the Fire District. Further, the plans and specifications shall be identical to those approved and conditioned by the Fire District. This permit does not constitute approval or waiver of any violation of the recited provisions, nor of any State law or, Fire District or City Ordinance, regulation or requirement.
